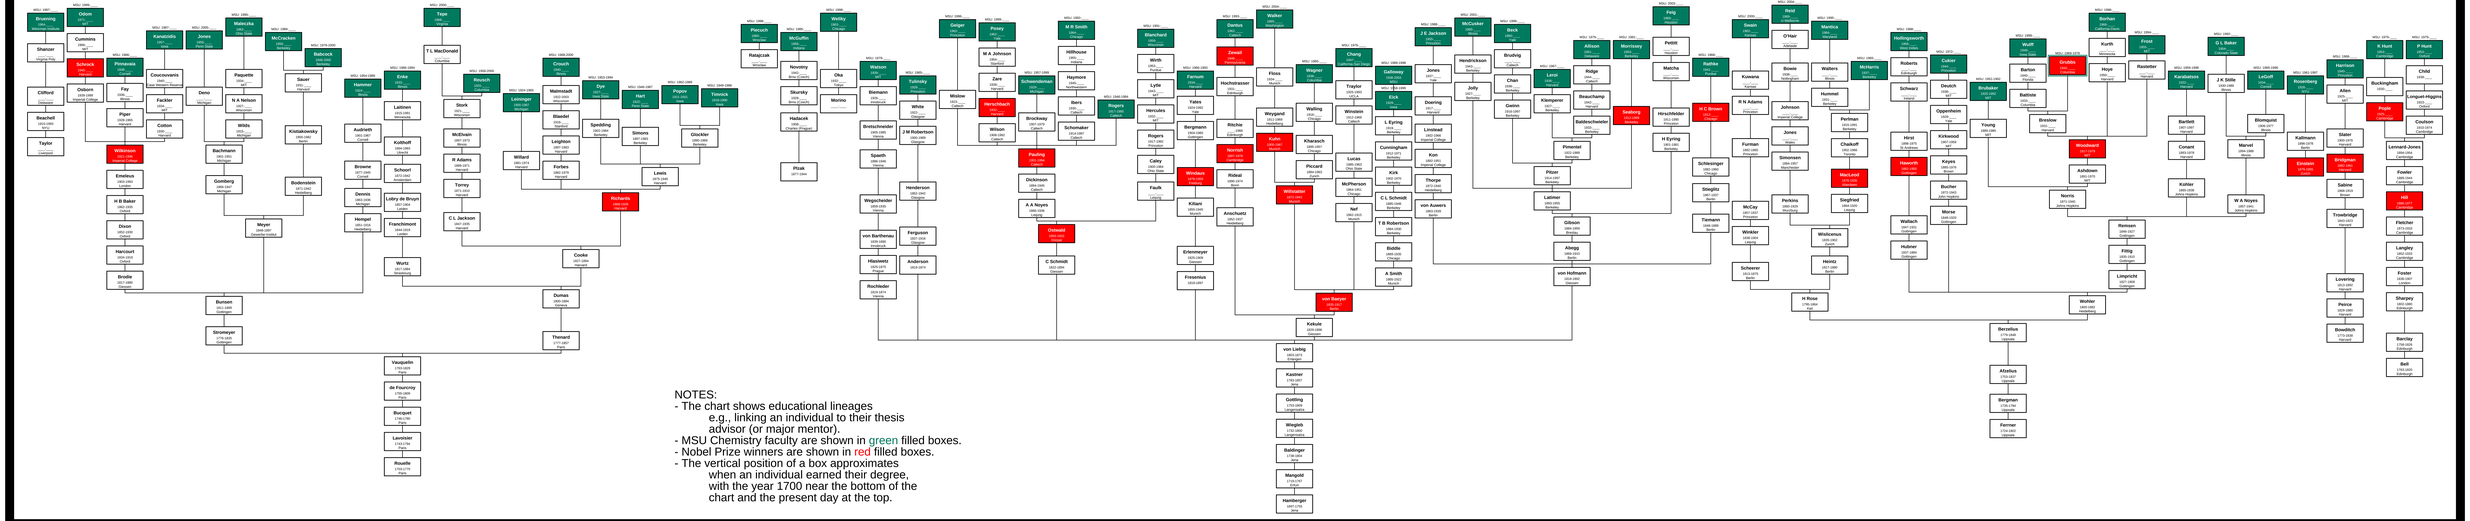
MSU Chemistry Department Academic Genealogy



NOTES:
- The chart shows educational lineages
  e.g., linking an individual to their thesis
  advisor (or major mentor).
- MSU Chemistry faculty are shown in green filled boxes.
- Nobel Prize winners are shown in red filled boxes.
- The vertical position of a box approximates
  when an individual earned their degree,
  with the year 1700 near the bottom of the
  chart and the present day at the top.
