

DISTRIBUTION OF UNBOUND COPY OF THESIS (M.S.)

Department of Chemistry

Student Name _____

Scheduled Oral Date _____

Thesis Distribution Date _____

The distribution of the unbound copy of thesis, should be two (2) weeks prior to the scheduled oral date listed above. This form must be signed by each member of the student's Guidance Committee when she/he delivers the unbound copy of their thesis and a copy of their preprint(s) or reprint(s) of published work based on their thesis research. The thesis should be in final form, except for changes that may be suggested at your oral exam by your Guidance Committee. All chapters, references and appendices should be in final, typed form. All figures should be clearly drawn, with complete labels and figure captions. This form must be returned to the Chemistry Graduate Office with all signatures five (5) working days before the scheduled oral date. Failure to return this form may result in cancellation of your oral examination.

Research Advisor: I have read this dissertation, scientifically critiqued its contents, recommended corrections, and the changes that I have suggested have been made. Thus, I approve its distribution to the committee.
